

*AS-NEEDED THIRD PARTY REVIEW OF ENGINEERING DESIGN*  
NFQ #2016-006

**Date Issued: June 21, 2016**

**ADDENDUM No. 1**

This addendum will only be available for viewing on the City of Cincinnati website at <https://data.cincinnati-oh.gov/Fiscal-Sustainability-Strategic-Investment/Procurement-Opportunities-and-Contract-Awards/pid3-z56k>.

The attention of all Offerors is directed to the following additions and/or deletions to the Notice for Qualifications (NFQ).

**Questions and Answers** - The NFQ for the above referenced project is amended and revised and clarified by the following Q & A:

**NFQ QUESTIONS AND ANSWERS**

- Q1.** I do not see any mention of an SBE or MBE requirement in the request. Does one exist? Or because you are seeking individual experts has a requirement been omitted from this NFQ?
- A1.** An SBE requirement is not sought in this request. It seeks only the firm's own qualifications. However, once a qualified list is established from this NFQ, that is not to say that some SBE requirement won't be included in a forthcoming request for quotes or proposals, i.e., in the second step of a two-step process.
